# MATCH OFFICIALS

**Eric Edge**  
Referee

Eric is a Level 6 referee and local lad whose football journey spans from Cheltenham Division 6 to the professional ranks of the USL in the United States. Since picking up the whistle in February last year, he's brought his playing experience into the middle. With experience on both sides of the whistle, he is honoured to be part of today's League Cup Final

**Nicholas Organ**  
Assistant

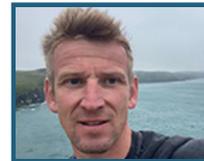

Nick is a level 5 Worcs FA referee and he has been officiating on the Cheltenham League for the past 11 seasons. Nick played in the League from 1991-2008 as a goalkeeper and has been involved in lots of league and county cup finals in previous years. He believes this will be a good final after refereeing the two teams in an earlier fixture this season - which ended 3-3.

**Steve Glyde**  
Assistant

Qualified as referee in 2006, and refereed in both the Cheltenham and Hellenic Leagues before promotion to Level 3 (Contributory League status) followed in 2010.

Steve spent five seasons refereeing Southern & Western League Fixtures and Assistant Referee on the Conference North & South. Now back at grassroots level on the Gloucester Northern Senior and Cheltenham League.

**Toby Travis**  
4th Official

After playing football in the Somerset Senior and Western Leagues, Toby started refereeing in junior football and has since moved into the Cheltenham League and Gloucestershire County League. It nicely combines his love of fitness and football and keeps him away from the EFL football scores on a Saturday afternoon.
