MATCH OFFICIALS

Wayne Irving
Referee

Having been involved in local football at a playing and management level for several years, the next logical step to stay involved was to take up the role of a referee.

I found it very satisfying and rewarding, having been appointed to both local and county level semi finals and finals.

Finally I want to congratulate tonight's officials and teams and wish them the best of luck.

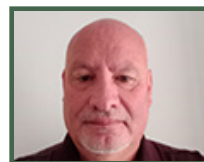

Ted Lang
Assistant

Ted used to play rugby, then started playing and coaching football. After reaching UEFA B level as a football coach, he started to take up refereeing. This is his first season as an official and he's has been promoted from level 7-6. He's aiming to move up the levels, as he enjoys the challenge of facilitating a game of football.

Phil Leah
Assistant

Phil has always enjoyed playing football since a young lad growing up in Liverpool. He began coaching grassroots football when his eldest son started his football journey. Having played and coached, the next step was to officiate. Phil is delighted to offered the chance to officiate in this cup final and is looking forward to the match.

Roy Storr
4th Official

I have been a referee for over 30 years and have officiated on the Midland Combination, Midland Football league, Brisbane Men's Soccer. I am looking forwards to my twilight years of my refereeing career.
