MATCH OFFICIALS

Charles Chattell
Referee

Charlie began his refereeing journey in 2023, aged 14.. After gaining valuable experience, he stepped up this season to referee in the Cheltenham League, and also signed up as an assistant referee in the Hellenic League. These opportunities have allowed him to work alongside more experienced officials, helping him to develop his skills both on and off the field. Charlie has started his journey on the promotion pathway and is eager to continue progressing.

Clive Chattell
Assistant

Clive re-qualified as a referee in Nov 2023 ,having initially completed the course in his 20s, primarily to stay active. Now regularly officiating two games a week he achieved level 6 in 2024 and is currently on the pathway to level 5 during 2025. With opportunities to officiate with his son, as he his tonight, he's looking forward to continuing well into his 50s

Stuart Evans
Assistant

Now in my ninth season as a referee, I currently officiate on the County League and the Gloucestershire Northern Senior League. I've also gained valuable experience as an assistant referee in the Hellenic League. My refereeing journey began with the Cheltenham Association Football League (CAFL), and I still enjoy being part of the League. Off the pitch, I'm the Chair and Referees Appointments Officer for the Cheltenham Youth Football League, where I'm proud to support the next generation of grassroots football.

Rob Green
4th Official

I have been refereeing for 7 seasons, initially getting started by helping my son's team. I found I really enjoyed refereeing so decided to get qualified and have progressed to a level 5 referee. I referee on different leagues up to an Hellenic League assistant. I have been lucky to be selected as assistant referee for Men's and Women's FA Cup matches as well as FA Youth Cup matches which have all been really enjoyable.
